STANLEY CUP PLAYOFF FORMAT

Playoff qualification will be primarily division-based, with the top three finishers in each division qualifying for the first 12 spots in the Stanley Cup Playoffs (and the first three "seeds" in each division). The two additional playoff spots in each conference, designated as "Wild Cards," will be awarded to the next two highest-placed finishers in each conference, ranked on the basis of regular-season points andregardless of division.

"Seeding" of the Wild Card teams within each divisional playoff will be determined on the basis of regular season points. The first-place finisher with the highest number of regular-season points in the conference will be matched against the Wild Card team with the lowest number of regular-season points, and the first place finisher with the second-highest number of regular-season points in the conference matched against the Wild Card team with the second-lowest number of regular-season points.

The Playoffs will proceed on a "Divisional Basis" as follows:

* #1 vs. #4 / #2 vs. #3 -- winners play each other for Division Championship

* Conference Finals – Pacific Division Champion vs. Central Division Champion and Atlantic Division Champion vs. Metropoliton Division Champion

* Eastern and Western Conference Champions will meet in Stanley Cup Final

Assist	An assist is awarded to the player or players (maximum of two) who touched the puck prior to the goal, provided no defender plays or possesses the puck in between.
Game Played	A player receives credit for playing in a game if: i) he steps on the ice during time played or; ii) serves any penalty.
Game-Winning Goal	After the final score has been determined, the goal which leaves the winning Club one goal ahead of its opponent is the game-winning goal (example: if Team A beats Team B 8-3, the player scoring the fourth goal for Team A receives credit for the game-winning goal).
Goal	A goal is awarded to the last player on the scoring Club to touch the puck prior to the puck entering the net.
Goals-Against Average	Multiply goals allowed (GA) by 60 and divide by minutes played (MINS).
Goaltender	A goaltender receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.
Penalty-Killing Pct.	Subtract total number of power-play goals allowed from total number of shorthanded situations to get total number of power-plays killed. Divide the total number of power-plays killed by the total number of shorthanded situations.
Plus-Minus	A player receives a "plus" if he is on the ice when his Club scores an even-strength or shorthand goal. He receives a "minus" if he is on the ice for an even-strength or shorthanded goal scored by the opposing Club. The difference in these numbers is considered the player's plus-minus statistic.
Power-Play Goal	A goal scored by a Club while it has a manpower advantage due to an opponent's penalty. Following are some examples of what is and is not considered a power-play goal: •if a Club has an advantage on a minor penalty starting at 2:02 of the period and it scores at 4:02, the goal is not a power-play goal. •if a Club scores on a delayed penalty, the goal is not a power-play goal. •if a Club has an advantage due to a five-minute major or match penalty, that Club is always credited with having one more advantage than the number of power-play goals it scores during that advantage, because the penalty does not expire. A new advantage begins after each power-play goal. For example, if Team A scores three goals during a major penalty, it is credited with four advantages. •if a Club is on a power-play for any length of time, it is considered to have had an advantage. •if a minor penalty is incurred by a Club on a power-play due to a major penalty, a new advantage is given to that Club when its minor penalty expires, provided the opponent's major penalty is still in effect.
Power-Play Percentage	Total number of power-play goals divided by total number of power-play opportunities.
Save Percentage	Subtract goals allowed (GA) from shots against (SA) to determine saves. Then divide saves by shots-against.
Shooting Percentage	Divide the number of goals scored by the number of shots taken.
Shorthanded Goal	A goal scored by a Club while it is at a manpower disadvantage. The same cases apply for shorthand as for power-play goals, but in the opposite manner.
Shot on Goal	If a player shoots the puck with the intention of scoring and if that shot would have gone in the net had the goaltender not stopped it, the shot is recorded as a "shot on goal".
Shutout	If two goaltenders combine for a shutout, neither receives credit for the shutout. Instead it is recorded as a Club shutout.
Tenths of a Second	If a penalty or goal occurs in the last minute, the time is rounded off to the previous second (ex: if a penalty is called with 12.4 seconds left in a period, the time is indicated as 19:47 and not 19:48.)\
Coaches Record	A coach receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

** NOTE: No individual skater/goaltender statistics apply for the shootout

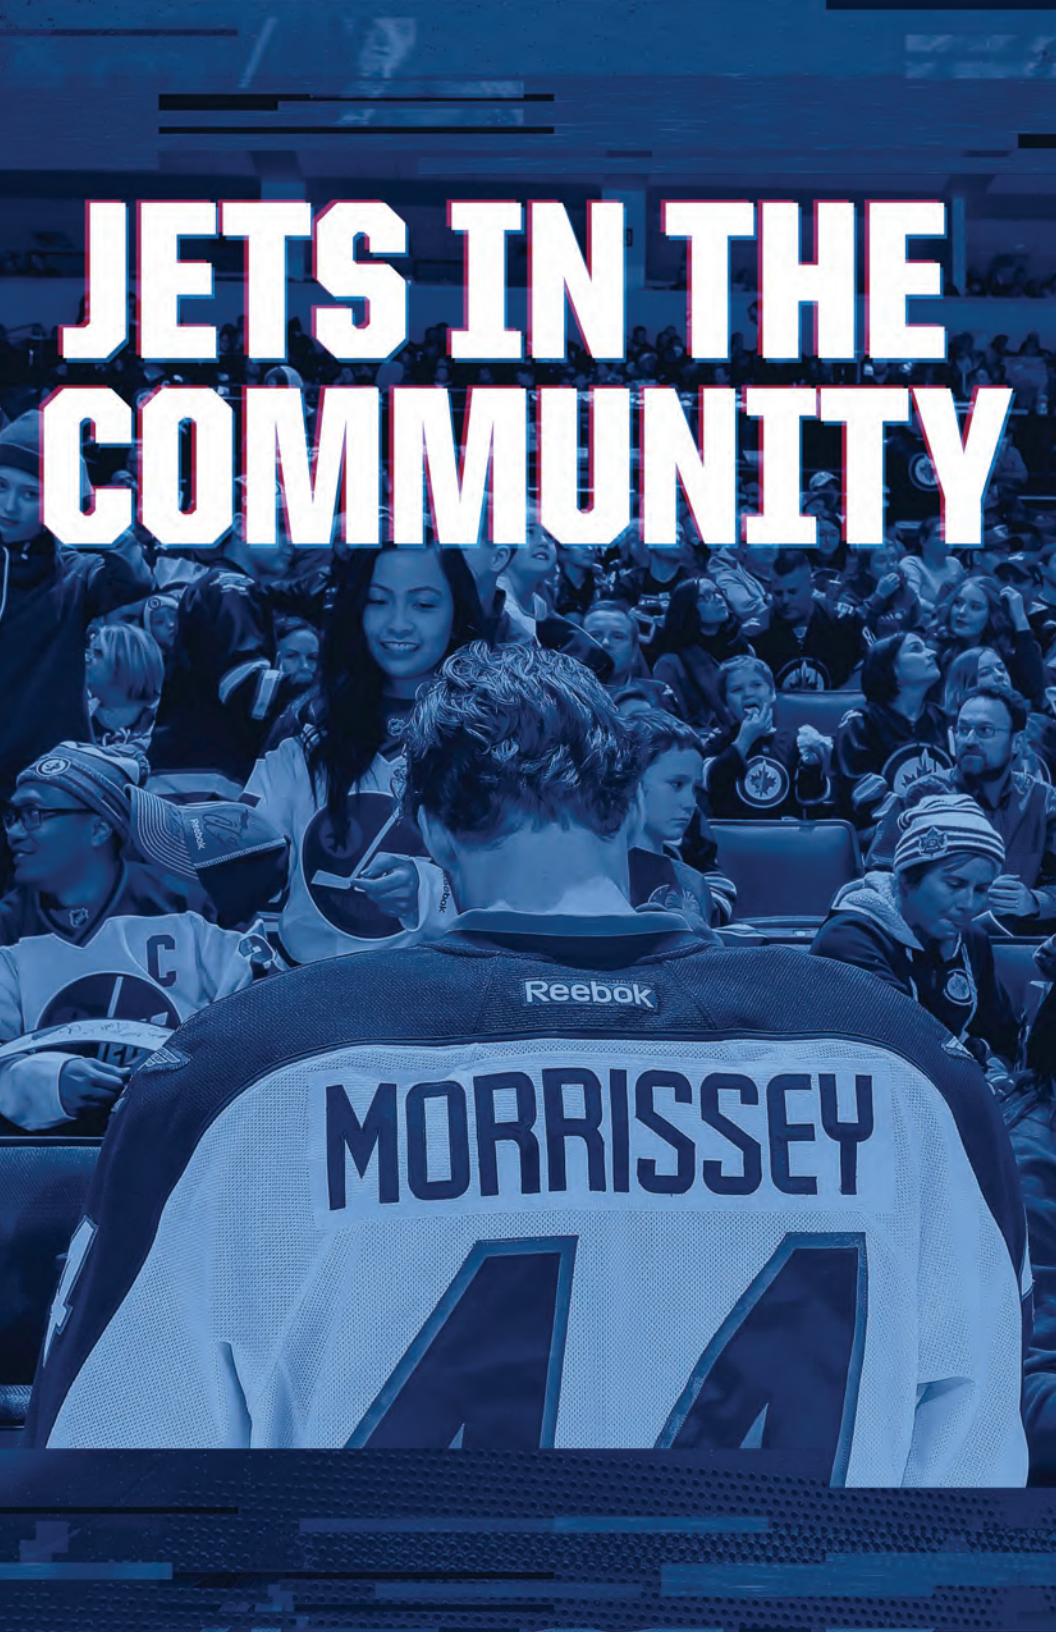
JETS IN THE COMMUNITY



TRUE NORTH YOUTH FOUNDATION

The True North Youth Foundation is the charitable entity of True North Sports + Entertainment and the Winnipeg Jets. Formerly the Winnipeg Jets True North Foundation, the name was formally changed in 2016 to reflect the foundation's commitment to youth programming, anchored and supported by True North, its board, employees and partners. The foundation primarily supports three core programs: Winnipeg Jets Hockey Academy, Camp Manitou, and Project 11. This season also represents the second year that TNYF has run Learn to Play, the new NHL initiative for children who have not had the chance to play hockey. The foundation was established in October of 1996 as the Manitoba Moose Yearling Foundation, which it remained until prior to the 2011-12 hockey season.

Major events that help to fund the TNYF include the Winnipeg Jets Gala Dinner, the annual Winnipeg Jets Skills Competition, the Mike Keane Celebrity Hockey Classic, and the Flatlanders Beer Festival. Since inception, True North's charitable efforts have raised and disbursed nearly $13.5 million.

Last year, more than 18,000 Manitobans benefitted from the $2.4 million in funding that the foundation directed to our youth based programming.

Guided by the shared mission, strategy, and values of True North Sports + Entertainment, the True North Youth ¬Foundation operates under the direction of Dwayne Green, Julie Chartier, Murray Cobb, Rick Bochinski, Kait Flett, Corey Coker, Suzi Friesen, Kerri Waldbauer Jeff Hofer, Mackenzie Scharf, Alex Kampen, Nick Sasaki, Cheyanne Davis, Jim Proulx and Jennifer McAlpine in partnership with a dedicated board of directors.

PROJECT 11

Last season, the True North Youth Foundation continued to pilot its mental wellness program, Project 11. Developed in collaboration with a variety of organizations and experts, Project 11 is an engaging 15-week cross-curricular prevention program targeting Manitoba's English Language Arts and Physical/Health Education outcomes. Using concepts such as practicing focusing the mind, increasing self-awareness of feelings and strengths and building positive relationships, our goal through Project 11 is to help children develop positive coping skills to deal with the daily stressors of life while also enhancing their academic performance. Lessons and activities are designed to be easily adapted into teachers' yearly plans.

The Project 11 pilot was targeted to students in grades five through eight and thanks to the more than 450 participating classrooms, over 8,000 students benefited from Project 11 programming in its second year of implementation. Pre and post-testing results showed a 54% decrease in the odds of these students being bullied. Project 11 has grown significantly for the 2017-18 school year and it is anticipated that more than 600 teachers will deliver the curriculum in their classrooms.

Project 11 has been developed to honour the memory of Rick Rypien, who was a valuable member of the Manitoba Moose, Winnipeg Jets and TNSE. "Ryp" had a profound impact on our organization and brought the importance of positive mental health to be a focus for the TNYF.

CAMP MANITOU

Camp Manitou is a summer camp and year-round outdoor recreation facility operated by the True North Youth Foundation. The Camp Manitou property is a 28 acre oasis just outside of Winnipeg. With its forests, large grass playing field, and the Assiniboine River on three sides, the property provides lots of space in which to enjoy nature.

The True North Youth Foundation has been operating Camp Manitou since January 2014 and continues to invest in the grounds, amenities, and programming. Highlights of recent improvements include the construction of a new shower and washroom facility, a refinished and newly heated swimming pool, the addition of a low ropes course, and the construction of 12 cabins to accommodate overnight experiences for campers. Outdoor programming is delivered with the goal of providing accessible and meaningful camp experiences to Manitoba children, youth, and community groups. Camp Manitou hosted its busiest summer yet in 2017 averaging 175 kids per day.

MAJOR FUNDRAISERS

The True North Youth Foundation relies on a variety of fundraisers to reinvest into its own community programs as well as into other local non-profit organizations. Our four main fundraisers include:

Winnipeg Jets Gala Dinner

The Winnipeg Jets Gala Dinner is an unforgettable event for hockey enthusiasts and friends of the True North Youth Foundation. The dinner attracts professionals and corporations from both the private and public sectors and includes live and silent auctions and once-in-a-lifetime interaction with Winnipeg Jets players. This year's gala will take place on October 18, 2017 on the event level of Bell MTS Place.

Mike Keane Celebrity Hockey Classic

The Mike Keane Celebrity Hockey Classic allows everyday hockey enthusiasts to team up with former NHL greats to play hockey and raise funds for charities in Manitoba. Proceeds from the event are shared between the True North Youth Foundation and Continuity Care.

Flatlander's Beer Festival

Presented by Manitoba Liquor Marts, the festival celebrates the art of beer and provides an opportunity for many different breweries to showcase their products to Manitobans, all in support of the True North Youth Foundation.

50/50

Our popular 50/50 draws, presented by Kromar Printing, are held at every Winnipeg Jets and Manitoba Moose home game. Last year record breaking pots at the Heritage Classic and tremendous fan supported generated just over $1.5 million for the True North Youth Foundation that supported the creation and delivery of integrated health, wellness and activity programming for thousands of Manitoba students.

WINNIPEG JETS HOCKEY ACADEMY

The Winnipeg Jets Hockey Academy is creating waves of change and achievement for underserved children. The True North Youth Foundation recognizes that challenges exist for many families to participate in the great game of hockey. As a response, the Hockey Academy was created (formerly under the name Little Moose Hockey Program) to provide children with the chance to play hockey while surrounded by their peers and positive role models. Participation barriers have been removed by providing programming staff, equipment, transportation, ice rentals, nutrition, and qualified on ice instruction to all academy participants. Program extras include character development curriculum, tutoring, resume and job coaching, exposure to local post-secondary options and career opportunities, and new for 2017-18 will be the addition of a full-time career counsellor.

By providing children with an opportunity to experience the positive benefits of hockey, the foundation believes that they will have increased confidence to pursue their goals, on and off the ice. The Hockey Academy helps encourage academic achievement and increase children's sense of belonging within their school community. WJHA students are shown to academically outperform the rest of their school population which is an encouraging outcome that demonstrates the impact and value of this program.

Now in its 12th year, the Winnipeg Jets Hockey Academy continues to grow with 750 student athletes in grades two through 12 from 20 schools in St. James-Assiniboia, Winnipeg One and River East Transcona school divisions and from Gonzaga Middle School currently participating in the Academy. Over the years, full-circle benefits have been realized with our own Hockey Academy kids getting summer jobs at Camp Manitou and with our partner organizations whose volunteers work so closely with the program.

Local businesses and organizations who have partnered with the Hockey Academy, providing many volunteers and hours of service to the program, include Birchwood Automotive, Investors Group, Maple Leaf Construction, National Leasing, New Flyer, Price Industries, Princess Automotive, RBC, Skybridge, True North Sports + Entertainment, and the Winnipeg Police Service.

LEARN TO PLAY

The True North Youth Foundation recently embraced a new NHL initiative to introduce children to the sport of hockey. The ten-week program is targeted to students in grade three who are not currently playing the sport. Students are carefully selected by the school division and receive all equipment and Winnipeg Jets branded gear courtesy of the NHL. The TNYF Learn to Play program is run by NHL alumni Justin Kurtz and Thomas Steen, who take a very hands-on approach on and off the ice. Now in our second year of offering Learn to Play, program participation has doubled from 600 to 1,200 students from the St. James Assiniboia and Seven Oaks School Divisions as well as from Pembina Trails School.

COMMITMENT TO THE COMMUNITY

The Winnipeg Jets Hockey Club participates in a variety of events every year that allow our organization and our players to connect with our community. The team is active in the community by visiting schools, local hospitals and health centres, through numerous player and team mascot appearances, and by maintaining an open and interactive relationship with the team's supportive and passionate fan base.

True North's Community Relations and Promotions Team participated in 160 events last year including Scotia Bank Hockey Day in Canada (Kenora), Tim Hortons Camp Day, Children's Hospital Teddy Bear Picnic, Pride Parade, Terry Fox Run, Travis Price Classic, Arthur J. Gallagher Golf Tournament, Terry Fox Run, Fire Fighters Burn Fund BBQ, and so much more.

In addition to supporting the True North Youth Foundation, True North is proud to contribute to many worthwhile events and causes in our community. Last season more than 700 packages were donated including jerseys, autographed memorabilia, team clothing, and specialty merchandise that benefitted more than 700 community groups and organizations. Nearly $246,000 in charitable proceeds were also donated to a variety of deserving community groups while also raising awareness for their worthwhile causes.

Each year, the Winnipeg Jets and Manitoba Moose celebrate their fans at Fan Fest, a free event that gives fans of all ages an opportunity to watch on-ice training sessions and engage in live Q&A sessions with select players, coaches, and management as well as participate in a number of other activities, win prizes, and get autographs. Last year more than 3,500 fans attended this event at Bell MTS Iceplex.

HOCKEY FIGHTS CANCER

Hockey Fights Cancer is a key initiative that the Winnipeg Jets Hockey Club continues to support. Founded in 1998 by the NHL and the NHL Players' Association, the initiative raises money and awareness for cancer research institutions, children's hospitals, player charities, and local cancer organizations. A number of in-game events held in October and November of last year, raised $210,000 to support CancerCare Manitoba's Pediatric Clinical Trials.

JETS TOY DRIVE

More than 1,600 toys were collected in December 2016 along with $4,000 in cash donations as part of the Winnipeg Jets Toy Drive. All gifts and proceeds benefitted the Christmas Cheer Board and the families that they support. Presented by Save-On-Foods, the Jets ran their inaugural food drive collecting 23,697 lbs of non-perishable food donations at home games and at Save-On-Foods locations during the month of January.

SKILLS COMPETITION

Each December the Winnipeg Jets host their annual Skills Competition, presented by Manitoba Hydro in support of the True North Youth Foundation and the National Hockey League Players' Association Goals and Dreams Fund. Last year nearly 3,000 fans witnessed the making of new club records during the five head-to-head events as Patrik Laine set a new shooting accuracy record, completing the task in just 8.4 seconds, and Nikolaj Ehlers took the fastest skater record with a lap in just 13.29 seconds.

MICK E. MOOSE

Mick E. Moose has always been an important member of the True North Sports + Entertainment family. Arriving in Winnipeg along with the Manitoba Moose in 1997, Mick E. has helped bring energy and excitement to live hockey games and community events all year long.

While Mick E.'s original jersey was retired in 2011 following the final season of the Manitoba Moose, the Winnipeg Jets proudly called him up to the NHL for their inaugural season in 2011-12. Mick E. remains a popular addition to the game day experience at Bell MTS Place and makes over 120 appearances every year throughout the province of Manitoba.

BURTON CUMMINGS THEATRE

BURTON CUMMINGS THEATRE FOR PERFORMING ARTS

Located on the edge of Winnipeg's Exchange District is one of Canada's most acclaimed live music and performance venues, the Burton Cummings Theatre for the Performing Arts. Named after the famed frontman of The Guess Who and Winnipegger, Burton Cummings, the theatre, affectionately known now as the "Burt" is an immediate draw with its unique appeal, both visually and sonically. The 1,581 reserved seat theatre, both a National Historic Site of Canada and Provincial Heritage site, was built in 1906. True North Sports + Entertainment assumed management and operating control of the venue in 2014 and purchased it in 2016. Over the decades, the vaudeville era theatre has staged ballets, operas, Broadway-style shows to now modern-day concerts and events. Offering a vintage, yet carefully maintained interior space that includes a 70' vaulted ceiling and three levels of audience seating, the Burt provides an up close and personal experience for both audience and performers.

In April 2017 True North, along with Burton Cummings himself, announced a 15-year extension of the theatre's naming rights as well as a commitment from Cummings to perform a minimum of four concerts during this period, with proceeds going toward True North's long-term investment into the theatre and to patron experiences at the Burt. To date, True North has invested just over $1 million in venue enhancements that include new air conditioning, new seating, flooring, lighting, and supporting infrastructure.

Winnipeg Jets media season passes are issued to print, radio and television media members who cover the Winnipeg Jets, at both practices and games, on a regular day-to-day basis as part of their work requirements. Please note that your season pass is HOCKEY ONLY and is not valid for any non-hockey event at Bell MTS Place. The pass will be valid for entry to Manitoba Moose games.

Single-Game Passes

Winnipeg Jets media passes will be issued on a game-by-game basis to media members from accredited newspapers, magazines, wire services and electronic media outlets requesting a single-game media pass. Freelance writers will NOT be granted credentials without a letter of support from an accredited medium. ACCESS AND AVAILABILITY

Regular Season Practice Access

Winnipeg Jets standard practice time will be 11:00 a.m. and game day skates will typically be 10:30 a.m. Please note practice times may vary. We will make every effort to inform you in the event of a schedule change.

The dressing room will remain closed before and during practice. When the dressing room door is locked, access is not permitted.

Access to the dressing room will be granted following practice per NHL regulations: Five minutes following the first group of players (who participated in the full practice) leaving the ice. The room will remain open for no less than 30 minutes.

Media access is allowed ONLY in the main dressing room and front hallway near the Equipment Managers Office. The players' lounge, medical room, and workout room located past the blue doors are strictly OFF-LIMITS to media.

Media access to both the home and the visitor's player bench is strictly prohibited during practice.

Player interviews will be conducted in the main dressing room area only so as to avoid traffic in the hallways outside the room. If a player is not present in the main room, please contact a member of the Jets communications department who will make their best effort to make the player available.

Head coach Paul Maurice will be available to the media in a press conference setting in the Matt Frost Media Centre within 25 minutes of the conclusion of practice. Individual interview (one-on-one) requests will only be granted in special circumstances and on advance notice.

Gameday and Post-Game

Prior to a game, players will be available upon request to the media for interviews for a 30-minute period up to 90 minutes prior to game time. Preferably, media interviews should be conducted following the morning practice.

Requests for players/coaches for broadcast pre-tape interviews must be made to the Jets communications department before 11:00 a.m. on game day and will be conducted before 5:30 p.m. (for a 7:00 p.m. start time). In the case of "walk-off" interviews, please provide AT LEAST TWO OPTIONS to the Jets communications department with at least two minutes remaining in the period.

The dressing room will be open to media between five and 10 minutes after the game. Player interviews will once again be conducted in the main dressing room only.

Head coach Paul Maurice will be available to the media in a press conference setting in the Matt Frost Media Centre within 20 minutes of the conclusion of the game. The dressing room will remain open during the coach's press conference.

At no time will players' home or cell phone numbers be released to either the media or the public unless the player specifically authorizes such release. Members of the media attempting to reach players must do so through a member of the Jets communications department.

Media attending Jets practices or games are strictly forbidden from requesting autographs. The locker room area is for working media only. Any person in the locker room with a media pass observed asking players for autographs will be asked to leave the premises.

BELL MTS PLACE

Media Parking

Bell MTS Place is unable to provide complimentary parking to members of the media. Media personnel are encouraged to use parking lots around Bell MTS Place during games.

Media Entrance

All media must access Bell MTS Place for Winnipeg Jets practices AND games through Gate 4 located at the northwest corner of the building (corner of Portage & Hargrave). Please check in at the media credential station located inside Gate 4.

After checking in for practices, media can proceed to the arena bowl to access the Matt Frost Media Centre at event level. After checking in for games, media are asked to proceed to either the event level to the Matt Frost Media Centre or can access the press box elevators at the northwest corner of Bell MTS Place.

Dressing Rooms

The dressing rooms for both the home and visiting teams are located at event level of Bell MTS Place. The Jets dressing room is on the west side of the facility while the visiting dressing room is on the south end of the building. Once again this season, we would ask media to avoid passing through the loading dock as much as possible to access the locker rooms due to an increase in vehicle traffic and television production personnel.

Matt Frost Media Centre

The Matt Frost Media Centre is the work room and press conference room located in the northwest event level corner of Bell MTS Place. It is equipped with an ISDN, internet, and phone lines. There are reserved work spaces available, along with temporary work spaces available for media. Please honour the reserved work areas. News releases, game notes, and statistical packages are available each day in the Matt Frost Media Centre. The elevator to the press box is located just north down the hallway.

Press Box Meal

A media meal is available for purchase on game nights in the media lounge located at the press box level at a cost of $13/person. Media are asked to refrain from consuming these meals at their work stations in the press box area. Complimentary soft drinks, coffee, and water are available to everyone in the press box. Media are also invited to purchase food from the various concessions located on the public concourses at Bell MTS Place. Alcoholic beverages are prohibited in the press box for members of the media.

PHOTOGRAPHER GUIDELINES

Photographers on assignment from accredited newspapers, magazines and wire services may apply for single game photo passes by emailing Scott Unger at sunger@winnipegjets.com at least 24 hours prior to the game they are assigned to shoot.

Due to limited shooting positions, locations will be assigned to photographers for each game. All photographers must report to the Matt Frost Media Centre 45 minutes prior to the start of the game to receive their posted shooting locations. Photographers are asked to shoot from those locations throughout the entire game. If spots are available, one outlet may receive more than one location during a game. Please contact team photographer Jonathan Kozub if you request to trade spots during the game.

For the 2017-18 season, we regret we will be unable to accommodate any freelance photographers not affiliated with a legitimate news gathering agency.

Photographers must request access to the Jets dressing and workout rooms for a specific assignment. Access will only be granted for direct and specifically requested player interviews or 'events' such as a photo of a new goaltender mask, milestone goal, etc.
